ABSTRACT

Over 150 resources on women's history are arranged under the following headings: author/title, collective biographies, reference materials, and individual biographies. Within the biography categories, publications are arranged alphabetically by author (collective biographies) or subject (individual biographies). Within the remaininy categories, publications are arranged randomly. Women in sports, politics, and the arts are among the subjects covered. Citations include bibliographic information and a brief annotation. With few exceptions, the books covered were published between 1960 and 1980. (LP)
